

S-Team 10 VH

STEAM GENERATORS WITH SUCTION

S-Team 10 VH is the steam vacuum cleaner with professional suction system designed for cleaning and sanitizing surfaces and environments. The steam production at 185 °C and the high operating pressure of 10 bar, along with the powerful 1150 W vac motor guarantee excellent cleaning and drying results. The practical control panel allows the operator to keep all the machine's activities under control. In fact it is possible to enable both the Detergent Function and the Hydrojet Function that, thanks to a powerful jet of steam mixed with water, allows the machine to deal with the most stubborn dirt. Extremely robust and resistant, thanks to the stainless steel structure, and characterized by high productivity (the boiler is of the continuous charging type), S-Team 10 VH is the steam vacuum cleaner ideal for operating in sectors such as mechanical industry, food, health and public institutions. The wide range of standard and optional accessories completes the offer and allows S-Team 10 VH to work in any type of environment, on hard surfaces (floors, glass, steel) and even on fabrics.

Sturdy stainless steel frame

Control panel with display and pressure gauge

Detergent Function

Hydrojet Function (H)

Water and cleaning solution tanks

Powerful suction motor (V)

Trolley with basket holder for accessories

Ideal for every type of surface

PRODUCT IDENTIFICATION

TYPE	REF. NO.	PIECES/PALLET
S-Team 10 VH	14091610001	4

TECHNICAL DATA

Voltage - Frequency	220-240 V~	50/60 Hz
Max power	W	4400
Max power consumption	W	3200
Vacuum power nom/max rating	W	1000/1150
Boiler max power	W	3400
Rated boiler capacity	l	3,5
Useful boiler capacity	l	3,5
Resistance power	W	2200+1200
Ampère	A	14
Pressure	bar	10
Temperature	°C	185
Steam production	kg H ₂ O/h	6
Air flow rate	l/s	53
Vacuum	mbar	190
Recovery tank capacity	l	6
Cleaning solution tank capacity	l	5
Water tank capacity	l	5
IP code		IPX4
Power supply cable	m	7,5
Weight (without accessories)	Kg	38,2
Dimensions	mm	830x480x1170

STANDARD ACCESSORIES

TYPE	REF. NO.
Flexible hose steam/vacuum (3 m)	6010522
Rigid extension steam/vacuum (x2)	2512002
Steam/vacuum floor tool body (280 mm)	2511609
Insert bristle and squeegee tool (280 mm)	2005336
Carpet protection tool (280 mm)	2005337
Glass cleaner (250 mm)	2511837
Large suction tool + squeegee	2511838
Transparent upholstery steam/vacuum tool	2511839
Small curved suction tool	2511840
Steam lance - accessories holder	2511841
Polyester round brush Ø 28	2511833
Polyester round brush Ø 40	2511835
Stainless steel round brush Ø 40	2511629
Brass round brush Ø 40	2511634
Polyester round brush Ø 65	2511836
White microfiber cloth for rectangular brush	8027020
Tank suction accessory	2511842

OPTIONAL ACCESSORIES

Wide range of optional accessories available in "Accessories for steam generators"
